

The **HeArt** of Relationships

with Ann Ladd, PhD

Spring, 2022

A five series class for married and committed couples in any stage of relationship.

- The exciting research that offers a road map for Love's Five Journeys.
- 5 practical skills for communication increasing and deepening connection.
- Ways to reduce defensiveness and increase your ability to listen.
- The ability to feel genuine empathy for your partner...instead of secret resentment.
- Harvesting the potential for deeper trust and intimacy from skillfully addressing conflict.
- The secret of expressing upsetting feelings without hurting your partner and your relationship – utilizing full emotional literacy to enhance the relationship.
- New ways to deepen intimacy and express caring.
